

# "Schriften"

## Eine anonyme CD mit Schriftfälschungen

Über Warenhäuser werden auch anonyme CDs mit Schriftfälschungen verkauft. Ein Beispiel ist die CD **"Schriften"** mit der Nummer "CD 142", die weder auf der CD-Hülle noch auf der CD-Scheibe selbst den Namen der Herstellerfirma oder der Vertriebsfirma angibt. Allerdings ist innen auf der CD eine Hotline "0190-876747" aufgedruckt, die aber nicht mehr gültig ist.

Die CD enthält 1979 Schriftfälschungen der Fonts von Adobe, Corel, Linotype, Monotype, SWFTE, URW und anderen Font-Firmen als Primär- und Sekundärfälschungen.

150 Fonts tragen den "Copyright"-Vermerk "Atech Software, Carlsbad CA", und 36 Fonts tragen den "Copyright"-Vermerk "Computer Solutions GmbH, Telefon 08092/5018".

Diese kommerzielle "Schriften"-CD, die ursprünglich für 39,95 DM verkauft wurde, enthält auch 57 Fonts von David Rakowski mit dem Vermerk "Commercial distribution prohibited".

13 Fonts enthalten den Vermerk: **"Please Steal This Font"**, der von dieser anonymen Firma offenbar als Lizenz zum Diebstahl aufgefaßt wird. Äußerst skurril ist es, daß diese Firma, die Tausende von fremden Fonts entwendete, dann auf der CD den Warnhinweis anbrachte: "Unberechtigte Nutzung der Programme wird zivil- und strafrechtlich verfolgt." Das ist so, wie wenn Autodiebe auf den von ihnen gestohlenen Autos nachher den Vermerk anbringen: "Der Diebstahl dieser Autos wird zivil- und strafrechtlich verfolgt."

Ulrich Stiehl, Heidelberg, 8.2.2006
